E 1/4 Cor SEC 18-104-18

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth was built with a trench around.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1991 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, measured the distance from the NE and the SE corners and found a steel fence post in a mound of stones. Long time resident, Dale Peterson, said that the post was fallen over, but never moved in over 50 years.

The monument fit occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
