M.H.D. FORM NO. 2105

BOOK 35 PAGE 385

E 1/4 Cor SEC 21-104-18

This corner was originally established by Deputy Surveyor William I. Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

1995 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, searched with magnetic locator at the intersection of fence lines N-S and E-W. Located no evidence of original PLS corner. Corner is tilled in field. Placed a cast iron monument on a straight line midway between the NE and SE section corners.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
