DOCUMENT NO. _____

M.H.D. FORM NO. 2105

E 1/4 Cor Sec 26-103-16

This corner was originally established by Deputy Surveyor John Quigley of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1998 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at the centerline of CSAH No. 7 and in line with line fence east and at the location of patch in bituminous surface made by backhoe following excavation of section corner. Located an aluminum monument at this location. Left monument as found.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
