STATEMENT OF EVIDENCE

SW corner Section 32-104-17

This corner was originally established by Deputy Surveyor John Ball of the U.S. General Land Office in 1853. The government notes show this corner was marked with a charred stake in a mound of earth with a trench.

The following were contacted for section corner information:

Mower County Engineers Office
Mower County Recorders Office

Mower County Engineering Office - County Road Project shows an iron found.

1930 Records of A.C. White indicate clay tile with brick set at this location recorded in survey book in the Mower County Engineers Office.

1960 Mower County Grading Plan shows monument at this location.

1990 Jones, Haugh & Smith crew dug with a jackhammer and uncovered a 1/2" diameter iron in a 6" clay tile surround by three bricks 3.0 feet below road surface.

The monument found is in agreement with the records and is accepted as best evidence of Public Land Survey corner. Set cast iron monument over 6" clay tile.

For electronic survey data and analysis, contact the firm of Jones, Haugh & Smith Inc.
