E 1/4 Cor SEC 24-104-19

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth was built with a trench around.

The following were contacted for section corner information.

Freeborn County Highway Dept.
Freeborn County Recorder
Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

1992 Mower County Hwy. Dept. records indicate a concrete monument in place at this location.

1992 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with county backhoe at the CL of township road E-W and CSAH No. 36 N-S. Uncovered a concrete monument in agreement with the hwy. dept. records. A cast iron monument was placed over the monument found.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
