S1/4 Cor Sec 31-102-18

Cert. Filed 4-26-93 by JHS

Found $\frac{3}{8}$"ø iron set by JHS INC. crew in 1980, which was placed above 2"x3" bar that was located at a depth of 3' deep. Accepted 2"x3" bar found as the best evidence of the perpetuation of the original PLS corner. Left $\frac{5}{8}$"ø iron found in place.

5-30-03 UNCOVERED 5/8ø AND SPIKE 1' NORTH 2' WEST OF 5/8ø, USED 5/8 AS CORNER (SAT, EJM)
