I, M. N. Clausen, a Practical Surveyor do hereby Certify that accompanying Plat drawn to a scale of fifteen (15) feet to the inch, is a true and Correct Plat of Holanda Cemetary as Surveyed by me on May 5th 1904. at the request of Peter Kelly. The Length and Width of the Lots, Alleys and Driveways as well as the Pattern Plats, are accurately given in the Determination of Feet (') and seconds (") on the said Plat.

The Cemetery is located in the South part of a parcel of land described in Book 76 on page 556 in the Register of Deeds Office. The N.W. cor. of said land marked N. (Leaning on the Highway) was found to be 1915 feet south and 99 feet East of the Govt. Post Mausen Section 7 and 8 in Twp. 103 N. of all the land being in Section 8 of aforesaid Twp. and Range and length of boundary lines A-B & C-D given in feet. I caused an Iron bolt 1½ inches long to be driven in the N.E. Cor. of the Potters Field from which future surveys may be made.

M. N. Clausen.
Surveyor.
